<p><u>Investigation</u></p> <p>This half term we will be looking at 'Materials'</p> <p>This week we are investigating floating and sinking.</p> <p>Can you have a look around your house for things made from a range of different material?</p> <p>Can you sort them by material, a set of plastic, wood, metal etc.</p> <p>What happens when you put them into a bowl/ bucket of water? Do they sink or float?</p>	<p><u>Spring walk</u></p> <p>Have a walk out and about and spy some signs of spring.</p> <p>What are the signs of spring? Are the days getting longer or shorter?</p> <p>Can you find some bulbs growing or trees in bud? Have you spied any baby animals in the fields?</p> <p>Have a good look over the next couple of weeks.</p> <p>Maybe you could use a magnifying glass. Can you do some observational drawings?</p>	<p><u>Story Time</u></p> <p>Can you share the traditional tale 'Farmer Duck'</p> <p>I wonder if you can find the version read by Michael Rosen on You Tube?</p> <div data-bbox="1211 411 1424 644" data-label="Image"> </div>	<p><u>Iconic buildings</u></p> <p>Have a look at some iconic buildings around the world. <p><u>Spring - Easter – chatterbox</u></p> <p>Can you create a box of different objects connected with spring and Easter? How about flowers?</p>	<p><u>Nursery Bug Hotel</u></p> <p>Over this half term and as part of our building topic we are going to revamp our Bug Hotel. As you know we have made it from pallets and different types of found materials, e.g. straw, twigs, plant pots, garden canes, to attract bugs of all different shapes and sizes.</p> <p>Maybe you could have a go and start a family project to create something in your garden, a bug hotel, a butterfly house, a hedgehog house or a bird box. However big or small, I can't wait to see how creative you will be.</p>		<p><u>On your daily walk</u></p> <p>Take a camera, phone, ipad with you. Take some photos or record some sounds of what you see and hear. Make it a sensory walk. What do you see, hear, smell? Can you touch different things? Maybe you could make a collection of different spring items as you go.</p> <p>I wonder if you can taste anything delicious when you return home?</p>
