| <p><u>Investigation</u><br/>                 This half term we will be looking at "Materials"<br/>                 This week we are investigating Magnets.<br/>                 Can you have a look around your house for things that are magnetic. Can you find out which items attract, pull, stick, and push away?</p>   | <p><u>Spring walk</u><br/>                 Can you have a walk out and about and spy signs of Spring?<br/>                 What are the signs of spring? Are the days getting longer or shorter? Can you find some bulbs growing or trees in bud? Have you spied any baby animals in the fields? Have a good look over the next couple of weeks.<br/>                 Maybe you could use a magnifying glass.<br/>                 Can you do some observational drawings of what you find?</p>  | <p><u>Story Time</u><br/>                 Can you share the traditional tale "The Three Little wolves and the Big Bad Pig"<br/>                 You can watch it on You tube.<br/>                 Can you find other Traditional tales to share at home...</p>  | <p><u>Feeling special</u><br/>                 Can you talk about the people who are special in your life and the people who make us feel special? How do they make us feel special?<br/>                 What can we do to make other people feel special and show them that we care for them?<br/>                 This weekend is a special weekend for the ladies in our life – Mums, Nans and Aunties. I wonder what special things you will do for them.</p> |
| <p><u>Tool box - chatterbox</u><br/>                 Can you create a box of different tools and building things.<br/>                 Maybe real tools, measuring tape, spirit level, old plug/ light switch, paint brush etc<br/>                 . Talk with a grown up about the different tools and building objects, what are they called- can you name them and talk about their special job or use...</p> | <p><u>Nursery Bug Hotel</u><br/>                 Over this half term and as part of our building topic we are going to revamp our Bug Hotel. As you know we have made it from pallets and different types of found materials, e.g. straw, twigs, plant pots and garden canes, to attract bugs of all different shapes and sizes.<br/>                 Maybe you could have a go and start a family project to create something in your garden, a bug hotel, a butterfly house, a hedgehog house or a bird box. However big or small, I can't wait to see how creative you will be...</p> |   | <p><u>On your daily walk</u><br/>                 Have a look at different signs. Maybe you can spot some street signs, road work signs or traffic signs. What information are they telling us? How do they help to keep us safe?</p>  |
| <p>Be as creative as you like.... I can't wait to see you photographs at the Nurseryhomelearningselfie@forefieldinfant.sefton.school</p>  |   | <p><u>House</u><br/>                 Can you design your favourite house? I wonder what you will have in it. Perhaps slides, a swimming pool a garden room or even party room! Draw a picture or make aa model of your most perfect design.</p>   | <p>Can you find things made from different materials? Can you find objects made from wood, plastic and metal? How many of each thing can you find?</p>   |
