

<p><u>Investigation</u> <u>Number of the week</u> The number this week is 6. E.g. Mrs Evans has found... a number 6 on a card, 6 leaves in the garden, 6 cars in the carpark. What can you find? As your child counts the objects encourage them to touch them and say the number out loud. Maybe you could draw the number in the sand with a stick. Look for the numeral, maybe on a birthday card or a road sign.</p>	<p><u>Vegetable shop</u> Can you set up a Vegetable shop? I wonder who will be the shop keeper & who will be the customer. What will you sell in your shop? Don't forget to write a shopping list and a price list. Your shop will need signs and labels. Happy shopping</p> 	<p><u>Story Time</u> Can you re-enact the story of 'The Enormous Turnip' using props and resources from around your house? Can you join in with the repeated refrains? I wonder if you could retell your story using a different vegetable - Maybe a leek, potato or onion?</p> 	<p><u>Investigation...</u> I wonder if you could pop some white flowers in a vase of coloured water (add a few drops of food colouring). Watch to see what happens. You can do the same with sticks of celery.</p> <p>Pop an onion sitting snugly on a jam jar of water with its roots dangling in the water. Watch and see what happens.</p>

Can you have a go at printing with the different vegetables. Maybe you could create a beautiful picture or a repeating pattern. I wonder if you can create a picture with potato prints? Maybe you could look at the vegetables through a magnifying glass.</p>	<p><u>5 Fat Peas</u> 5 fat peas in a pea pod pressed One grew, two grew and so did all the rest, They grew and they grew and they did not stop. Until one day the pod went POP! Can you learn and make up actions to this rhyme?</p>
