1. INTRODUCTION

Regular and punctual school attendance is important. Pupils need to attend school regularly if they are to take full advantage of the educational opportunities available to them by law. Forefield Community Infant & Nursery School fully recognise its responsibilities to ensure pupils are in school and on time, therefore having access to learning for the maximum number of days and hours.

Our Policy applies to all children registered at this school and this Policy is made available on our school website to all parents/carers of pupils who are registered at our school.

The DfE has produced guidance for maintained schools, academies, independent schools, and local authorities: **Working together to improve school attendance.** <https://www.gov.uk/government/publications/working-together-to-improve-school-attendance>

Our Attendance Policy reflects the key principles of that guidance.

This policy is written with the above guidance in mind and underpins our school ethos to:

- promote children's welfare and safeguarding
- ensure every pupil has access to the full-time education to which they are entitled
- ensure that pupils succeed whilst at school
- ensure that pupils have access to the widest possible range of opportunities whilst at school, and when they leave school

Although parents/carers have the legal responsibility for ensuring their child's good attendance, the Head teacher and Governors at our school are committed to:

- Building strong relationships with families and listening to, and working with them, to understand and remove barriers to attendance
- Working closely with other professionals and agencies to ensure that all pupils are encouraged and supported to develop good attendance habits.

***Definition of parent: Section 576 of the Education Act 1996** - A parent in relation to any child or young person, includes any person: -

- all natural parents, whether they are married or not.
- who is not a parent but who has parental responsibility for a child; or
- who has care of a child i.e. lives with and looks after the child.

This also includes all parents who are absent. Parental partners can be included whether they are married or the natural parent of the child as they have 'care' of the child. If a pupil lives with a grandparent or older sibling as their main carer, they can also be included as they are the main care provider. It is also important to note that even though a parent may not live in the same home as the pupil, that parent is still

responsible for ensuring their child attends school every day.

At Forefield Community Infant & Nursery School, we understand the law requires:

- Our school to have an admission register and an attendance register.
- Our governors to have regard to the statutory guidance '[Keeping Children Safe in Education](#)'.
- Our School to put in place appropriate safeguarding responses for children who go missing from school.
- Our school to notify the Local Authority (LA) when a pupil's name is to be deleted from the admission register.
- Our school to inform the LA of any pupil who fails to attend school regularly or has been absent without the school's permission for a continuous period of 10 days or more.

2. PRINCIPLES OF FOREFIELD COMMUNITY INFANT & NURSERY SCHOOL'S ATTENDANCE POLICY

The Governing Body of Forefield Community Infant & Nursery School places a high priority on achieving high standards and feel that excellent pupil attendance and punctuality are essential. They undertake this role by

- Nominating a named Governor for Attendance who meets regularly with staff responsible for overseeing attendance.
- Monitoring strategies the school has put into place to improve attendance and reduce persistent absence and take appropriate action should attendance levels impact significantly on attainment.
- Regularly reviewing attendance data and helping school leaders focus support on the pupils who need it.
- Monitoring the impact of school's attendance strategies and the implementation of the Attendance Policy through analysis of attendance related statistics on a whole school, year group basis, attendance of more vulnerable groups of pupils e.g. those eligible for pupil premium, SEND support
- Taking an active role in attendance improvement, supporting our school(s) to prioritise attendance, and working together with leaders to set whole school cultures.
- Ensuring school staff receive training on attendance.
- Ensuring school leaders fulfil expectations and statutory duties.

In order for children to achieve their potential, pupils must be highly motivated to learn and be keen and eager to attend school. Regular, punctual attendance will establish good habits that will support them throughout their lives. To achieve this, the Governors and staff are committed to working in partnership with parents to ensure that a MINIMUM of 96% attendance is achieved throughout the school.

The Government expects us to:

- Promote good attendance and reduce absence, including persistent absence (less than 90%);
- Ensure every pupil has access to a suitable education, to which they are

- entitled;
- Act early to address patterns of absence.

This table illustrates the impact of attendance of 95% or below

Attendance during one school year	Equals this number of days absent	Which is approximately this many weeks absent	Which means this number of lessons missed
95%	9.5 days	2 weeks	50 lessons
90%	19 days	4 weeks	100 lessons
85%	29 days	6 weeks	150 lessons
80%	38 days	8 weeks	200 lessons

3. NATIONAL CONTEXT

The 1996 Education Act, (section 444) states that parents (including non-related adult carers in the child's household) have a **legal responsibility** to ensure that those of compulsory school age are educated, either by '**regular**' attendance at school or '**otherwise**'. The 2008 Education and Skills Act, (section 155) specifies the same requirement regarding regular attendance at alternative provision.

The duty on parents is to ensure that their children are educated, either at school or 'otherwise'. Education is therefore compulsory. In terms of 'otherwise', children may be educated by their parents at home, by a private tutor or in establishments other than schools, i.e. – FE colleges from the age of 14, special units, hospitals or in alternative educational programmes or work experience. The law allows parents to choose the alternative options, provided they can demonstrate to the Local Authority that the education is full-time and 'suitable' to the child's education needs, up until the relevant leaving-date for all young people.

Schools must enter pupils on the admission register and attendance register from the beginning of the first day on which the school has agreed, or been notified, that the pupil will attend the school.

For most pupils, the expected first day of attendance is the first day of the school year. Every amendment made to the admission register and the attendance register must include: the original entry; the amended entry; the reason for the amendment; the date on which the amendment was made; and the name and position of the person who made the amendment.

4. DAILY PROCEDURES

Under the 2006 Education Regulations, the school is **legally** required to register pupils twice daily. Registers are marked in the morning between 8.45/8.50am and 9am and in the afternoon at 12.30pm in Nursery, 1.20pm in Reception and 1.35pm in KS1. It is essential that all pupils are registered on both occasions.

School starts at 8.45am in Reception & Y1 and 8.50am in Nursery & Y2 when all pupils should be in their classroom, in preparation for the register being taken at

8.50am. **It is a legal requirement that a register is taken at the start of the day.** Not only does the process allow us to monitor attendance but also to act as a pupil checklist in respect of health and safety issues – e.g. Fire Drill. Each year a school calendar is sent out and is also shared on the website, clearly indicating the days when your child is expected to be in school – term dates and holiday dates.

5. ABSENCE FROM SCHOOL

If your child cannot come to school because of illness, you should advise school on the first day of absence by telephone. If no message is received, we will assume that your child is absent without your permission. We will then make every effort to contact you. The school requires at least two emergency contact numbers. It is essential that school is kept informed of changes of contact details such as phone numbers and addresses. To amend details, the school office team should be contacted by telephone or email to update our records. If staff are unable to make contact with parents and/or emergency contacts via telephone, then pastoral staff may undertake a welfare home visit. Parents are encouraged to ensure that their child brings in a letter confirming the reasons for the absence when the child returns to school.

Once contact (verbal and/or written) has been made with the parent the school will determine if the absence is to be authorised or unauthorised.

The school will only **authorise** a medical absence if the circumstances are unavoidable. The school has the right to request medical evidence if a parent contacts the school to confirm the student is unwell. This may include: a medical appointment card with one appointment entered, slip with date, pupil's name and surgery stamp, signed by GP Receptionist, letter from a professional, doctor's note, medication prescribed by a doctor, copy of prescription, print screen of medical notes, as well as letters concerning hospital appointments or any other relevant evidence. The Headteacher may not authorise medical absence without this evidence.

Parents are asked to make routine medical and dental appointments outside school hours wherever possible. Where such appointments in school time are unavoidable, parents should inform the school in advance so a decision can be made whether to authorise the absence or not.

The school **may** authorise absence under certain specific circumstances. However, the parent must contact the Headteacher in advance to secure authorisation. This **may** include e.g. meetings with external agencies. The Headteacher **may** also authorise events where pupils are involved in any supervised sporting events or trials, theatre performances, dance and music examinations that cannot be arranged outside of school hours and participation in acts of religious worship.

6. CHILDREN WITH A SOCIAL WORKER-FIRST DAY RESPONSE

If children who have a social worker are absent from school, as part of our first day response procedures, we will contact the Local Authority. We may request a home

visit as part of the first day response. We will also contact the child's social worker and the Virtual School where appropriate.

7. PERSISTENT ABSENCE

The school has a responsibility to reduce the number of pupils whose attendance is below 90% over the school year. **Pupils with attendance below 90% fall into the 'Persistent Absentee' category.**

When a pupil's attendance falls below 95% or punctuality is a concern (at any stage of the year) we will:

- Invite you into school to discuss the situation with our Pastoral & Education Support Co-Ordinator and Attendance Lead and/or Phase Leader, class teacher and, if absences persist, our Attendance Governor and Headteacher
- Create a personalised support /action plan to address any barriers to attendance
- Set targets with timescales to secure improvement in attendance
- Offer support by sign posting to other agencies or services if appropriate. This may involve undertaking an early help assessment.
- Consider any interventions that have worked previously to bring about improvements in attendance.
- Consider any school age siblings in our school or other schools and work in partnership to deliver a joint approach
- Refer the matter to the Local Authority for relevant sanctions if attendance deteriorates following the above actions
- Consult with our Local Authority point of contact from the School Support Services.

If parents in our school fail to comply with the support plan and there is no improvement in their child's attendance a referral may be made to the Local Authority requesting legal intervention through the issuing of a penalty notice or the School Attendance Panel.

8. RELUCTANCE TO GO TO SCHOOL

Sometimes pupils seem anxious about leaving home to go to school. They may tell you that they feel unwell or give another reason to not attend. You may notice that they are worried from things that they say e.g. that they do not want to do any particular subjects, feel that they have no friends or are being bullied. If this is the case, please contact the school as soon as possible to speak to your child's class teacher or Mrs. Boardman our Pastoral & Education Support Co-Ordinator.

9. LEAVE OF ABSENCE IN TERM TIME

The Headteacher may not grant leave of absence during term time unless there are 'exceptional circumstances. They will also determine the number of school days a child can be away from school if the leave is granted. **From this perspective, leave of absence in term time is no longer a parental right and will only be authorised at the Headteacher's discretion.** Under DFE guidelines the school will notify the Local Authority if a parent/s takes leave of absence **without** the Headteacher's permission. In these cases, the **G code** will be used on the register

to show this absence is **unauthorised**.

Under these circumstances, the school will apply to the **Local Authority** for a **Penalty Charge Notice Fine (£60-£120) per parent, per child, per week** to be issued by the Local Authority. The £60 Penalty Charge Notice will need to be paid in full separately by both parents within 21 days and will rise to £120 if paid between 22 and 28 days. If the Penalty Charge Notice is not paid within 28 days, parents can be prosecuted under section 444, the Education Act 1996.

Children attending Sefton schools, including Forefield Community Infant & Nursery School, are not allowed absence for holidays. Any absence, other than for illness or emergency medical attention, will be coded as Unauthorised, (G) – Family holiday not agreed or (O) Unauthorised absence.

Parents may choose to complete an 'Exceptional Circumstances Form' stating why they are removing their child during term time. This is given to the Headteacher. Only exceptional circumstances will be authorised.

If an 'exceptional circumstance form' is rejected, then the absence; should the parent still proceed with the removal of their child during term time; is dealt with under the **Sefton Council Code of Conduct for issuing a Penalty Charge Notice**.

It is important for parents / carers to note that the school will not authorise ANY leave of absence unless the school feels the circumstances are unavoidable.

The school reserves the right to either contact the parents/carers directly or make an immediate referral to social care or the police if the school feels a pupil is potentially at-risk while being taken out of school during term time.

The school will seek advice from the Local Authority if a pupil fails to return from an extended family holiday during term time and the school have made reasonable enquiries but cannot locate the pupil or their family. **This applies to leave of absence that are both authorised and unauthorised by the school.** As a result, school will invoke CME procedures. The school may remove the pupil from roll under such circumstances, in consultation with the Local Authority.

UNAUTHORISED ABSENCE FROM SCHOOL

Unauthorised absence is where a school is not satisfied with the reasons given for the absence. Such circumstances may include:

- A pupil not attending school to go shopping.
- A pupil not attending school as it is their birthday or the birthday of a family member.
- A pupil not attending school as the family have gone to the airport to meet a visiting relative.
- A pupil not attending school due to attending a hospital appointment for another family member.

- A pupil not attending school due to the fact the family returned late in the previous evening from a family holiday.
- A pupil not attending school as they are looking after younger siblings.
- A pupil attending a medical appointment in the morning but then failing to return to school for afternoon lessons.

Our school will always try to bring about an improvement in attendance through a support plan, however, we may request penalty charge notices to address unauthorised absence. A minimum evidential requirement of ten (10) school sessions lost to unauthorised absence by any pupil in the current term **and/or** eighteen (18) sessions lost to unauthorised absence over two consecutive terms will be required to trigger the process.

The Local Authority will:

- Issue a formal written warning to the parent/carer of the possibility of a penalty notice being issued.
- In the same letter, set a period of 15 school days within which the pupil must have no unauthorised absence.
- Issue a penalty charge notice through the post at the end of the 15-day period if the required level of improvement has not been achieved.

10. LOCAL AUTHORITY SCHOOL ATTENDANCE PANEL 15% unauthorised absence

Our school may refer pupils who have 15% unauthorised absence to the School Attendance Panel when there has been no improvement in attendance through interventions we have put into place, including an attendance support/action plan/early help plan.

What is the purpose of the School Attendance Panel Meeting?

The purpose of the School Attendance Panel meeting is for you and your child to meet with representatives from the Local Authority to identify the reasons for absence and to work together to improve attendance.

What will happen at the School Attendance Panel Meeting?

The reasons for absence will be identified and different strategies to improve attendance will be considered:

- A parenting contract will be agreed.
- An attendance target date for improvement will be set.
- The pupil's attendance will then be closely monitored for a period of 8 school weeks.

If the parent fails to attend without reasonable justification this could result in a Penalty Charge Notice being issued to parents/carers or court proceedings under the 'Single Justice' process. Under section 444, a Penalty Charge Notice will be issued for £60 to parents. This will be issued to both parents even if one of the parents does

not live with the pupil. Each parent will have 21 days to make payment. This will rise to £120 if the initial fine is paid between 22 and 28 days. The payment must be made directly to the Local Authority. There is no right of appeal by parents against the penalty charge notice. Failure to pay the Penalty Charge Notice Fine will result in further legal action being taken by the courts, with the maximum fine currently £2,500 or three months in prison.

What happens next?

Whilst the intention of the School Attendance Panel meeting is that the attendance will improve, if the attendance deteriorates by the target review date the Local Authority may recommend legal action is taken. This could include a fixed penalty notice being issued, prosecution in the Magistrates' Court, Education Supervision Orders or Parenting Orders.

Issuing Penalty Charge Notices: Each parent receives a penalty charge notice for each child who has unauthorised absence. The penalty is £60 or £120 depending on how soon payment is made. So, if there are two parents and two children the total penalties could be up to £480. Failure to pay the penalty charge notices in Sefton may result in prosecution.

Taking parents to court for unauthorised absence: Education Act 1996 Section 444(1) - court can fine each parent up to £1000 per child, order payment of prosecution costs and/or impose a Parenting Order.

Taking parents to court for persistent unauthorised absence: Education Act 1996 Section 444(1A) - court can fine each parent up to £2,500 per child, order payment of the prosecution costs, impose a Parenting Order and/or sentence you to a period of imprisonment of up to 3 months.

Under the 1989 Children Act the Local Authority has the power to issue an **Education Supervision Order (ESO)** and place a child under their supervision on the grounds that the child is not being 'properly educated' and is in danger of 'significant harm'. The Local Authority can issue an order if the child is persistently absent from school. The Local Authority appointed 'Supervisor' can give 'directions' to the parents on how the child should be educated and work with the parent to ensure the child attends school regularly.

Under the 2003 Anti-Social Behaviour Act, if a pupil continues to have attendance issues after a parent has been convicted, the courts can also issue a **Parenting Order**. This legally requires the parents to participate in a programme of parenting support and counselling. If the unauthorised absence continues, a new case will be brought against the parent/s but previous parental failure to engage with the school and Local Authority can be cited.

11. PUNCTUALITY

As you may be aware, the law treats some persistent lateness in the same way as irregular attendance and parents may be prosecuted by the Local Authority if late arrival is not resolved.

Poor punctuality can lead to your child:

- Feeling embarrassed in front of their friends.
- Missing the beginning of vital lessons.
- Missing important instructions for the rest of the school day.
- Learning bad habits which could affect their employability in the future.

Minutes late per day during the school year	Equal days' worth of teaching lost in a year
5 minutes	3.4 days
10 minutes	6.9 days
15 minutes	10.3 days
20 minutes	13.8 days
30 minutes	20.7 days

Late Procedures

Children, who arrive late and have gone to the office entrance, must be signed in by their parent/carer or appropriate adult, a reason for the lateness is also requested.

The admin staff will:

- update the SIMs system with their mark. Adults of EYFS children will wait with their child until it is convenient for the child to be taken to class.
- Children who frequently arrive late will be monitored; parents will be contacted and a referral to Mrs Boardman our Pastoral & Education Support Co-ordinator or Mrs Gilroy, Attendance lead, will be considered.
- Children who arrive late after the registers have closed due to a medical appointment will be marked M

Any child arriving after 9.30am for any reason other than medical will be marked U (late after registers closed).

Children who must leave for any reason throughout the day should be signed out at the main office by their parent/carer or appropriate adult. This is strongly discouraged. Parents are requested to make dental or medical appointments outside of school hours.

12. ROLES AND RESPONSIBILITIES**IMPROVING ATTENDANCE – WHAT PARENTS CAN DO:**

- Provide at least two and preferably four, emergency contact numbers to the school.
- Ensure their child attends every day the school is open except when a statutory reason applies.
- Notify the school as soon as possible when their child must be unexpectedly absent (e.g., sickness).

- Only request leave of absence in exceptional circumstances and do so in advance.
- Book any medical appointments around the school day where possible. Obviously, this is not always possible but, in such cases, try to minimise the disruption to the day by getting an early morning appointment so that your child can attend afterwards OR a late afternoon appointment so that he/she can complete most of their timetable before leaving.
- Work with the school and local authority to help them understand their child's barrier to attendance.
- Proactively engage with the support offered to prevent the need for more formal support.
- Proactively engage with the formal support offered – including parenting contract or voluntary early help plan to prevent the need for legal intervention.
- Encourage their child to take responsibility for being on time for school, ensuring they have a realistic bedtime and will not be too tired to get up in the morning for school. Equipment should be prepared the night before. Regularly checking year group newsletters can help to do this.
- Leave of absence during term time is not a parental right. If there are special or exceptional circumstances, please contact the Headteacher and a decision will be made if the absence can be authorised or not.
- Talk positively about going to school.
- Establish a good bedtime routine e.g. bath, book, bed at an age-appropriate time
- Limit your child's technology/TV use as bed-time approaches to ensure they are not experiencing any difficulties that may prevent them from settling to a good night's sleep.
- Take any worries seriously but do not show that you are unduly concerned. Believe that they will be sorted out.
- Contact school before the concerns escalate.

IMPROVING ATTENDANCE-ROLE OF THE LOCAL AUTHORITY

- Work closely with relevant services and partners, for example special educational needs, educational psychologists, and mental health services to ensure joined up support for families.
- Ensure suitable education, such as alternative provision, is arranged for children of compulsory school age who, because of health reasons, would not otherwise receive a suitable education.

14. REWARDS AND INCENTIVE

- Celebrate excellent attendance by displaying and reporting individual and class achievements in school and on the school website
- Reward individuals and classes for good or improving attendance on a termly basis through certificates, attendance badges and prizes.

15. SCHOOL ATTENDANCE, SAFEGUARDING AND CHILDREN MISSING EDUCATION

A child going missing from education is a potential indicator of abuse or neglect. School staff will follow the school's procedures for dealing with children who go missing from education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual exploitation, and to help prevent the risks of their going missing in future.

Notifying the Local Authority

Our school notify the Local Authority of any pupil who fails to attend school regularly after making reasonable enquiries, or has been absent without the school's permission for a continuous period of 10 days or more. (Pupil Registration) (England) Regulations 2006 regulation 12.

The school (regardless of designation) must also notify the Local Authority of any pupil who is to be deleted from the admission register.

Our school will demonstrate that we have taken reasonable enquiries to ascertain the whereabouts of children that would be considered 'missing'.

Where a child leaves our school without a destination or another school is not identified, our school follow Sefton Council Children Missing Education Procedures and they can be found at [https://www.sefton.gov.uk/schools-learning/attendance-and-welfare/children-missing-education-\(cme\).aspx](https://www.sefton.gov.uk/schools-learning/attendance-and-welfare/children-missing-education-(cme).aspx). The school will liaise with the Children Missing Education Co-ordinator who can be contacted on 0151 934 3181 or CME@sefton.gov.uk

16. ATTENDANCE DATA

We use data to monitor, identify and support individual pupils or groups of pupils when their attendance needs to improve. Persistently absent pupils are tracked and monitored carefully on a daily basis by the attendance and pastoral team. We also combine this with academic tracking as increased absence affects attainment. Attendance staff and the Attendance lead/SLT meet on a half-termly basis to review school attendance and apply school's graduated response to absence which may

include, a telephone call from a member of our Pastoral Team, an invitation to a meeting with the Pastoral Team and/or SLT and/or Attendance Governor, referral to external agencies eg school health.

The school has a legal duty to publish its absence figures to parents and to promote attendance.

17. ABSENCE CODES

According to the DfE guidance the following codes are used for authorised absence on the register.

Code I: Illness Schools can request medical evidence from parents/carers if they feel the authenticity of an illness is in doubt.
Code M: Medical or dental appointments Parents/carers are encouraged to arrange appointments out of school hours, but the school will authorise if confirmation of the appointment is provided.
Code C: Other circumstances This code will be used for any authorised non-medical reasons for a child's absence from school, i.e. – family funeral.
Code B: Off-site educational activity This code should be used when pupils are present at an off-site educational activity that has been approved by the school. Ultimately schools are responsible for the safeguarding and welfare of pupils educated off-site. Therefore, by using code B, schools are certifying that the education is supervised, and measures have been taken to safeguard pupils. This code should not be used for any unsupervised educational activity or where a pupil is at home doing schoolwork. Schools should ensure that they have in place arrangements whereby the provider of the alternative activity notifies the school of any absences by/of individual pupils. The school should record the pupil's absence using the relevant absence code.
Code D: Dual Registered - at another educational establishment. This code will be used if a student is registered at two schools.
Code J: Interview This code will be used when it has been agreed that the student can miss school to attend an interview or entrance exam.
Code P: Approved sporting activity This code will be used in times of approved sporting activities in school times, i.e. training sessions, trials and sporting events.

Code R: Religious Observation

This code is used to cover major religious festivals during term-time. The school will only authorise one day of absence for religious events.

Code V: Educational visits and trips**Code W: Work Experience****Code G: Family holiday not authorised by the school or in excess of agreed period**

If a school does not authorise a leave of absence and the parents still take the child on holiday, or the child is kept away for longer than was agreed, the absence is unauthorised. The regulations do not allow schools to give retrospective approval. If the parents did not apply for the leave of absence in advance the absence must be recorded as unauthorised.

Code N: Reason for absence not yet provided

Schools should follow up all unexplained and unexpected absences in a timely manner. Every effort should be made to establish the reason for a pupil's absence.

Code O: Absent from school without authorisation

If the school is **not satisfied** with the reason given for absence, they should record it as unauthorised.

Code U: Arrived late to school after 9.15am

If a student arrives after 9.15am without any written or verbal confirmation from parents/carers to explain their lateness, the school will mark the pupil with the U code. This means that, although the student is in school, they are marked absent for the entire morning. This will be marked as an authorised absence and could result in prosecution for parents/carers if the pupil is persistently late.

According to the DFE guidance 'If a child of compulsory school age fails to attend regularly at a school at which they are registered or at a place where alternative provision is provided for them, the parents may be guilty of an offence and can be prosecuted by the Local Authority'. In addition, 'Local Authorities have the power to prosecute parents who fail to comply with a school attendance order (section 443 of the Education Act 1996) or fail to ensure their child's regular attendance at a school (section 444 of the Education Act 1996).
